

## Rules

1. A patrol should be of 4 to 6 Scouts of a mixed age range with one PL and one APL.
2. Patrol Leaders must be issued with an Event Passport for this camp.
3. All entrants to the Tony Award must be first time entrants to the event competitions.
4. Each Patrol must be self sufficient for tentage, equipment and storage of food. It is advisable for an adult to attend the start and finish of the event to minimise any risk of damage to personal and troop equipment.
5. Each patrol will plan their own menus and purchase their own food. We expect you to prepare the Saturday evening 'Competition Meal' on site using predominantly fresh ingredients. On arrival a **copy** of the menu for the whole weekend including the menu for the competition meal must be given to the organisers for marking. You will need to keep another copy for when you cook the meals.
6. Gas cookers are acceptable throughout the weekend. If you want to use a wood fire **make sure you have an altar fire and wood supply to bring with you. Tree branches and logs only. Woodhouse has a supply of logs at £4.50 a 12-15kg bag.** If you do not have direct access to an altar fire please contact your ADC (Scouts), who may be able to put you in touch with someone who has.
7. Boots or similar stout footwear **must** be worn when using the patrol chopping area. Your campsite layout should make provision for a chopping area and fire area, even if you do not intend to use a wood fire, because they will be marked.
8. Each Patrol will need to bring material to build a 'racing' ship, raft or iceberg (sedan chair) on site. The vehicle will be marked for imagination, construction and performance. **This is to be built during the camp and not be prefabricated.**
9. Young People must not leave our campsite without permission from the Camp Leader.
10. All entrants are expected to help us clear and tidy the site at the end of the event. **No one** is to leave the site until they are given permission by a member of the Organising Team.
11. Scout Leaders are encouraged to join the organising team in advance and choose a specific responsibility to help us achieve a successful event. You are also welcome to join us on the weekend, camping in the allocated adult area, and to take on a role on the day. Adults are not permitted to camp amongst the Young People. Adults who book in advance will be catered for but we will ask for a contribution towards costs.
12. Leaders who have teams in the Tony competition may give some assistance to them but such help should only be provided if it is absolutely necessary to do so. Teams in the Post & Press competition should not be helped by their own leaders. Teams who receive excessive assistance may be penalised. The CPCC organising team members are available to assist any team if the need arises.
