

County Patrol Camping Competition weekend

Woodhouse Park 21st – 23rd October 2011

TITANIC

One hundred years ago the White Star Line passenger ship RMS Titanic was launched in Belfast. The following year on its first voyage it struck an iceberg whilst crossing the Atlantic to New York and sunk. Our camp theme is based around this historic ship.

This is your opportunity to pit your camping skills, ability and teamwork against other Scouts in the County. Or you could just come along and enjoy camping with us for the weekend.

The following points will give you the information you need to put your plans in place. Further detail will be supplied when we receive your application form and fees.

- ◆ The event includes two competitions. The 'Post & Press' Trophy in which points are scored for good camping standards, cooking and teamwork. The other competition is the 'Tony Award'. This is for patrols that may need some adult help over the weekend. Any team can enter the 'Post & Press' competition but only scouts who have not taken part in this event before can enter the 'Tony Award'.
- ◆ The event fee of **£15.00 per person** includes a variety of activities along with the site camping fees.
- ◆ Entry will be by Patrol on the application form you can find on the website. Cheques should be made payable to '**Avon County Scout Council**' and marked County Patrol Camp on the back.
- ◆ The closing date for entries is 14th October. Applications received after this date may not be accepted.
- ◆ The total number of entries to the event is limited to 40 patrols of 6 scouts.

Information and the forms you need for the event will be available at www.avonscouts.org.uk/patrolcampingweekend
